(DR. R. NAGAN GOWDA.)

(*ii*) Four economic farms are started providing for the maintenance of 300 breeding fit cows on each farm, with a view to rearing Amrithmahal cattle on a semi-ranching system.

(*iii*) Aided cattle breeders scheme is also started for encouraging private cattle enterprisers.

Hallikar :—Two cattle breeding stations at Hessarghatta and Kurikuppe are started to produce adequate number of pedigreed bulls for distribution in the Hallikar breeding tracts of the State for improving the local 'Hallikar' Cattle.

Crossbreed Cattle :—The policy of improving this kind is pursued in upgrading these to Sindhis and Jersey Breeds, by means of artificial insemination.

Non-descript :—Efforts are made to upgrade these with Sindhi breed for high milking potentiality type.

(*d*) Yes, Key village schemes meant to improve the Amritmahal and Hallikar cattle.

(*e*) The Central Government will subsidise 50 per cent expenditure of the scheme.

(*f*) *Vide* replies to clauses (*d*) and (*e*).
